

Seeds

Class: Sunbeam | **Category:** Nature | **Track:** My World

- 1. Listen to the parable found in Matthew 13:3-9. Read two other verses about seeds:
 - a. Genesis 1:11
 - b. Mark 4:31
 - c. Matthew 17:20
- 2. What does a seed need to grow?

- 3. Observe and discuss what happens when a seed sprouts.

- 4. Name some ways that seeds are naturally spread.

- 5. Name the largest and smallest seeds you have ever seen.

- 6. Taste a variety of edible seeds. Have fun exploring new things!

- 7. Collect and identify at least two different seeds in each category:

- a. Tree seeds
- b. Fruit seeds
- c. Vegetable seeds
- d. Grain/grass seeds
- e. Nut seeds

- 8. Make a seed collage or other seed craft.
